

# Thank you

*For being a part of our mission and helping a child find success!*

Gibault's mission to provide life-changing opportunities starts by getting to know our kids as individuals. Understanding each child is the key to unlocking their potential and giving them a chance for success. Gibault makes our homes and communities stronger by involving each child in programs that address their individual needs.

**As a donor you make it possible for our kids to learn the skills they need to become happy and healthy adults.**
