REGISTRATION IS OPEN!

Please join us Thursday, May 16th for our annual golf scramble.

Michael J. Buske Scholarship

The Micheal J. Buske Pancake Breakfast was a tremendous success. We raised \$5,937 in DONATIONS. The funds will allow a selected Gibault alumni to attend Ivy Tech Community College on any campus in Indiana. Mike is deeply missed but will always be remembered in his lasting legacy by providing continuing education of Gibault youth. Thank you, Ruoff

We love our Knights ♥

K of C Council #16008, Highland hosted their annual Valentine's Day dinner and dance. The proceeds of the 50/50 drawing were generously donated to continue renovations on our Campagna Campus in NWI.

Due to a very generous donation from the Schillings in St. John, IN we were able to order new dining hall tables with attached stools for our Campagna Campus. The new tables make the space safer for our kids.

We also hope to welcome many visitors this year to dine with us.

Campagna Campus News

Crystal Mulvihill has been hired as the new Director of Residential at the Campagna Campus. She has a clinical background and previously was employed at Michiana Behavioral Health for 6 years.

Please help us welcome Crystal!

Gibault in Action

Rob Sturm, COO, presented testimony to the Senate Committee in support of SB 169 on January 29th. The bill impacts residential treatment facilities twofold. It provides parity in the employment requirements for case managers. The bill also allows for Advanced Practice Registered Nurses to provide physicals and prescribe psychotropic medications. This is advantageous to facilities as modern practices, especially in Vigo and Lake Counties, employ many more of these professionals than physicians.

Several staff members and children attended the legislative foster care day in Indianapolis on February 16th. They were able to see government in action, as well as ask questions of Speaker Houston.

Michele Madley, CEO, attended the IARCA/legislative dinner on February 21st in Indianapolis. Michele's representation at these events has been instrumental in making sure our children receive the best possible care.
