### Campus Easter Celebrations

Campagna celebrated Easter with gifts for the children. As a surprise they were also treated to bunny cakes for each living unit prepared by our Kitchen supervisor, who is a professional baker.

On the Terre Haute campus, the Easter bunny delivered baskets to the dormitories filled with candy and headphones.

### Ride Across Indiana (RAIN)

David Kroll, Indiana Knight of Columbus from Council #563, Anderson, is participating in the RAIN bicycle ride that starts in Terre Haute and ends in Richmond, which is 160 miles in one day! He is raising funds for Gibault by setting up a collection basket at church and at the K of C hall, as well as donations/sponsorships. He is looking for

others to join him. The event is on July 20<sup>th</sup> and starts at St. Mary of the Woods College. To learn about the event visit [www.rainride.org](http://www.rainride.org). To give towards David's efforts

please use the donate page on our website [www.gibault.org](http://www.gibault.org) and put RAIN in the comment box. What a creative way to spread awareness of our mission and raise money for our children.

### Campus Happenings

The Terre Haute and Campagna campuses will be viewing the eclipse April 8<sup>th</sup>. All children will wear special eclipse glasses to see this once in a lifetime event.

The Terre Haute and Campagna campuses are preparing for the June Council on Accreditation visit. Gibault is a Qualified Residential Treatment Provider and to maintain this status, both campuses must be accredited.

Our Marketing Department is currently working on creating a memorabilia room at the Campagna campus. Many Father Campagna artifacts will be on display. We hope to share this new space soon.

Thanks to the Life-Changing Ladies group donation, the game room at the Terre Haute campus has been upgraded. The kids love the updates.

Our **CEO Michele Madley**, is always thankful to spend time with Lt. Governor Suzanne Crouch. Her meaningful work around mental health and addiction hits right at home. We always appreciate her willingness to listen and participate in conversations to better the lives of those we serve.

### A New Face in Fund Development

Hi, my name is Patricia Bowden and I started at Gibault on March 11, as the Fund Development Assistant. I have been married to my husband John for almost 17 years. He has worked for the Federal Prison for 20 years and is an Army Veteran, deployed twice overseas. Together we have 5 children, and 6 grandchildren. I am an animal lover and enjoy being outside. I enjoy hunting, spending time with my grandkids, going for walks with my husband, and riding my motorcycle.

I look forward to meeting everyone at the golf scramble and during upcoming summer events on our campuses.
