MESSENGER

GIBAULT CHILDREN'S SERVICES

ANNUAL REPORT 2024

FOUNDED BY THE INDIANA KNIGHTS OF COLUMBUS IN 1921

GIBAULT.ORG

The Gibault mission is to provide life-changing opportunities to children, adults, families, and communities.

Recently a Knights of Columbus Council visited our campus and brought homemade ice cream for the children. Our guests might have viewed this as an enjoyable day with young people who were appreciative of their company. I sometimes see these interactions a little differently than guests and staff may see them.

Gibault staff welcome admissions knowing the children have likely suffered a form of severe trauma. Staff become the thinking part of the brain for the youth. They may work with 7-year-old children who are not yet potty trained or 14-year-old youth who do not know how to tie their shoes. Our staff often face aggressive youth who display shocking behaviors, such as lashing out and hitting others, urinating on a floor, exhibiting explosive outbursts after a phone call home, etc.

When our staff bring a selected group of youth to meet and interact with guests and these youth present as well behaved, funny, outgoing, and polite, we are thrilled. This is where I recognize the true work of our staff.

I know the well-behaved youth have staff who have built a relationship with them. Though it took time, the youth started to trust our staff as being safe. When our children present with manners, it is the staff who have worked to teach them to say please, thank you, excuse me if they burp, or pardon me if they need to pass by a group of people. I recognize the youth sitting at a table with guests understand if they are not comfortable, they can tell their staff who will step in and assist with the social situation.

Without caring and helpful staff, Gibault cannot make changes with youth or families. The safety of staff and youth is always our number one goal. Life-changing opportunities are ongoing every day and we are blessed to serve youth. It is our staff who provide life-changing opportunities.

We appreciate your support in our mission to treat vulnerable children.

I encourage you to reach out via emails to michele.madley@gibault.org or Melissa Reed at melissa.reed@gibault.org. We would also like to invite you to visit our campus and speak to our youth and staff. Please feel free to contact me at 812-298-3001.

Kind regards,

Michele Madley

Fully serving the two youth campuses (Terre Haute and Schererville), Gibault is proactively moving ahead to a dynamic and bright future providing spiritual and material support to the children in our care!

Our concerted efforts at Gibault are much stronger now with two separate and fully functioning campuses to best serve children of Indiana who need the life-changing opportunities we can help provide. Not only has our Staff grown in size, but also in professional development, as we continually seek collaboration and learning the best techniques available to support educational growth and community development for the young people we care so much about.

Since 1921, Gibault has cared for over **11,249** children from every one of Indiana's counties, as well as several from other states. With our near-term goals of increasing the census count in Schererville and having the ability to open and fill a new dormitory in Terre Haute, we can truly expand our aperture and help even more children with exposure to our highly dedicated staff and time-tested techniques.

It is my great honor to be selected to serve as the Board Chair for this very professional organization. With the tremendous support from our Indiana Knights of Columbus, and our two local area communities, I absolutely know we will continue to excel and honor the legacy of kindness that was started by the Knights of Columbus at Gibault in 1921 and Fr. Campagna in Schererville in 1947.

Many thanks for your continued support and participation in Gibault's mission. It is truly remarkable to observe the very positive impact your involvement has made/ will continue to make in the lives and performance of our Gibault children, residents, and staff! I can assure you it is duly noted and highly appreciated.

Please continue to pray for all our children and the staff who serve them. It makes a huge difference in our challenging world.

With greatest appreciation,

GIBAULT HISTORY

Gibault was founded in 1921 by the Indiana Knights of Columbus as a home for wayward boys. Over the years, Gibault has evolved to meet the needs of at-risk youth everywhere. Today, Gibault serves boys and girls and has provided life-changing opportunities for over 11,100 children and their families. Gibault serves children with mild emotional disturbances, aggressive and oppositional behaviors, substance abuse issues, victims and perpetrators that exhibit sexually harmful/reactive behavior, learning disabled children, and children with a variety of clinical issues in residential and community based environments.
